The concept of globalisation indicates aspiring towards oneness by all countries, i.e. the desire to be part of one uniform world order. Another unfortunate effect is the alienation of the younger generation as expressed in their rejection of culture and tradition and loss of Faith in the social, Political and cultural tradition. The most drastic impact of globalization has been the drifting away of modern youth from familial ties.

They wish for independence, privacy and space. As a result, the traditional joint family system has given way to a nuclear family system.
